

WOMAN'S FALL FASHION FALL 2007

The New York Times *Style Magazine*

THE REMIX

Fresh from the henhouse, Stefano Pilati's ovoid coat for Yves Saint Laurent.

Jacaranda's ostrich egg bowls are more than just a pretty shell.

Eggheads can reach for the stars in the privacy of their homes with the HomeStar Pure Home Planetarium.

Embryonic (or unlaid) eggs are breaking news for experimental chefs like Dan Barber of Blue Hill.

Rotten egg: China's food and drug czar was executed after, among other things, eggs tainted with carcinogenic dye were found.

Could it be that Karl Lagerfeld laid an egg at Chanel?

Eggcetera
FASHION DESIGNERS AREN'T THE ONLY ONES OVULATING.
ARMAND LIMNANDER

This taxi prototype for New York, a fuel-efficient Kia Rondo, has a curvy, yolk-yellow exterior.
